

TO CELEBRATE
ADMISSION DAYNative Sons May Eat and
Dance With Native
Daughters.

About thirty Native Sons of California met last night in the Athletic Club's room in the Elite building to discuss plans for a celebration of California's admission day on September 9th.

Mr. King, the chairman of the meeting, presented suggestions and several members responded. The original plan was for a stay banquet at the Moana hotel, but as it was proposed to entertain the daughters to be invited to participate in the celebration, the question of the banquet and ball was discussed, the majority of those present favoring the latter plan.

After a lengthy consideration of the matter, a committee was appointed to look into the matter, the final arrangements to be decided upon at a meeting to be held Monday night.

Mr. E. Wall, Mr. W. Naylor and Mr. W. S. Fleming were appointed on the committee.

The matter of a permanent organization of the Native Sons of California in Honolulu, as an auxiliary parlor, was also considered and a committee consisting of A. N. Johnson, G. W. R. King, W. Barry, W. R. Kinseale and W. Heilman was appointed to take steps toward this organization.

Organ Dedication.

The new pipe organ in the German Church is to be dedicated and played for the first service on Sunday. It is a very fine instrument and built by Walker & Co., of Ludwigsburg, Germany, one of the most renowned organ-building firms in Europe. The large organ in Boston Music Hall was furnished by the same firm fifty years ago.

The organ has pneumatic action all through, the stops are of exceptionally fine quality, and the full organ throws out considerable power and sonority.

The organ was set up by the Bergstrom Music Company of this city. Professor Ballaseyus will be the organist.

To Buy
Plumbing Material

WITHOUT A PLUMBER to put up the articles in first-class style is of very small advantage to the average householder. The people of Honolulu have been "climbed" so often by plumbers that they are afraid to set one onto a job by day's work.

BAILEY'S PLUMBING SHOP will put your plumbing in condition and connect with the sewer for a very low figure. And guarantee the job will PASS INSPECTION by the GOVERNMENT officials. And also guarantee that day's work by honest men is cheaper than contract. Contracts are taken, however, and promptly filled by

What The Bible Says
About Linen Underwear.

Ezekiel xlv:17-18 reads: "They shall be clothed with linen garments and no wool shall come upon them . . . they shall not gird themselves with anything that causeth sweat."

Hippocrates, the father of medicine, gave the following advice: "Pure linen should be worn next to the skin."

Another writer asserts that want of linen causes leprosy.

We don't handle linen underwear for men, but for women we have a few samples to be sold at San Francisco prices. A complete stock will arrive in a few days. Ask for the
